

COMPOSE **your** LEGACY

“We are so proud of our Richmond Symphony and the beautiful and diverse music they perform. Our years of involvement with the Symphony have expanded our knowledge of and interest in many different musical styles. We applaud the Symphony’s efforts to reach out to all demographics, and the “Big Tent” is an exciting way to accomplish this. Being active with Richmond Symphony Orchestra League (RSOL) has allowed us to see firsthand the amazing job the Symphony does with their outreach to schools and young musicians. All of this made us realize what good sense it made to support the Symphony through our estate plans, as well as the Big Tent project. They say that music makes the world go ‘round, and we feel the Richmond Symphony is world class!”
